Summer School

The main emphasis throughout the week will be on having lots of fun on court with plenty of games and competitions. With the highly successful summer schools I have run in the past, the Summer School will be staffed by fully qualified LTA & RPT coaches and assistants which will ensure that all participants are taught to the highest standard. The course aims to improve ball skills and stroke techniques and will cater for all ability levels.

Players will be grouped depending on age and experience into coaching groups. Players from each coaching group will be put into "houses" and earn points for their "house" each day. Members of the winning house will receive a prize at the end of the week!

What to bring

Players should bring a packed lunch each day. Sun screen and hats will also be required. Please make sure your child comes to summer school wearing clothing appropriate to the weather conditions. You may also wish to pack some extra layers/waterproof jacket for your child. Appropriate footwear should also be worn.

Supervision

Children will not be allowed to leave the club until collected by a parent or guardian. Please also make sure that children take responsibility for their own possessions as the club and coaches cannot be held responsible for loss or damage to personal belongings. For this reason we would recommend that valuables are not brought to summer school.

Places are limited so book early to avoid disappointment!

Please note it is a 1 week course but children can do multiple weeks if they wish.

Confirmation will be sent via email or post upon receipt of payment.
