

### Task 1

Make a list of ten **adjectives** in your book. Now use a thesaurus to find three synonyms for each adjective.

### Task 2

Make a list of ten **proper nouns** and ten **common nouns** you can find in your book.

### Task 3

Write down five words that use **apostrophes** in your book. Explain why the apostrophe has been used in each word.

### Task 4

Find the meaning of five **new words** in your book. Use a dictionary to write down what they mean.

### Task 5

Explain how the end of a chapter is written to make you want to read on. Think about words or phrases that you find interesting to grip the reader.

### Task 6

Write down ten adjectives you can find in your book. For each one, write down a synonym and an antonym.
