

On Saturday 25th July, we open our doors and invite you down to enjoy a day jam-packed with kids' activities, pop-up performances, workshops, stalls, food vendors, and so much more!

Bouncyland will take over the auditorium with bouncy castles and an inflatable assault course to keep the children entertained.

Upstairs in the Museum there will be a special meet & greet with Princess Belle. Downstairs the Museum team will be running kids crafts and Victorian washing.

Our new beer garden will host performances from Grove Cottage, Graham School of Dance, Rock Choir and more. Plus, you will find an array of stalls and food vendors around the car park.

The perfect way to kick-off the summer holidays!
