This year, we are pleased to continue to work Charley Bird an Educational Mental Health Practitioner working with MIND.

Charley will continue to offer weekly parent support sessions for those families with children experiences anxiety or challenging behaviour at home. These are done with families on a 1:1 basis and don't involve the child. If you feel this free service may be something you are interested in, additional information can be found on the school website (including an easy self-referral link) or you can contact your child's class teacher or Mrs Lincoln (SENCO).
