Anti-Bullying Policy

Approved by the Full Governing Body 2023

At Great Chesterford C. of E. Primary Academy, we aim to provide the best possible education for each child within the context of a caring Christian community. Our values promote inclusion, respect and empathy whilst our broad and balanced curriculum inspires aspirational, lifelong learners. Our school values underpin all aspects of school life, including behaviour and relationships within our school. Our school values are: God's Guidance, Respect One Another, Excellent Behaviour, Aiming High and Tremendous Teamwork.

Our Golden Rule is: 'to treat others as you would like to be treated'.

Great Chesterford C. of E. Primary Academy recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and purposeful environment, where pupils are able to learn, thrive and flourish.

The purpose of this policy is to:

- Outline what Great Chesterford C. of E. Primary Academy will do to prevent and tackle all forms of bullying.
- Ensure all members of the school community are involved in the policy.
- Great Chesterford C. of E. Primary Academy is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Headteacher/Designated Safeguarding Lead (DSL) or another member of leadership staff may interview all parties involved.
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.

- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

 - Confiscating electronic devices, such as mobile phones, in accordance with the law.
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the Headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.

Preventing bullying

Environment

The whole school community will:

- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Recognises the potential for children with SEN and disabilities to be disproportionately impacted by bullying and will implement additional pastoral support as required.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.
- Challenge practice and language (including 'banter') which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create "safe spaces" for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

The whole school community will:

- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to consider the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools' attention, which involves or effects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.

- Collaborate with other local educational settings as appropriate, and during key times of the year, for example during transition.
- Ensure anti-bullying has a high profile throughout the year, reinforced through key opportunities such as anti-bullying week
- Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats, including via the school website
Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
Request that parents work with the school to role model positive behaviour for pupils, both on and offline.
Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

Monitoring and review: putting policy into practice

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
- The Headteacher will be informed of bullying concerns.

Appendix 3: A flowchart to help children identify bullying.

What is bullying?

Bullying is actions that hurt someone else. It includes name calling, hitting, pushing, saying unkind things, lying about others, judging someone unkindly, putting someone down or saying something bad will happen if you don't do what they say. It can happen anywhere – at school, at home or online. It's repeated over a period of time and can hurt you both in your body and your feelings.

Adults that you can tell include a teacher, a teaching assistant, the headteachers, an MDA, the office staff, your parents or other family members.
